

Missouri Training and Employment Council (MTEC) Board Members and Staff

The Council consists of thirty (30) members appointed by the Governor with the advice and consent of the Senate. Nine members represent business, industry and agriculture; nine members represent members of the General Assembly and state agencies and organizations. These include the appointment of one representative each from the Department of Economic Development, the Department of Elementary and Secondary Education, the Department of Labor and Industrial Relations, the Department of Social Services and the Department of Higher Education; nine members represent organized labor and community-based organizations in the state; and three members represent the general public. Each member of the Council serves for a term of four years.
